Happy Holidays from the Pets at Pasco County Animal Services

Pasco County Animal Services will be reducing fees by HALF for the whole month of December. With each adoption pets are spay/neutered, microchipped, and vaccinated. We have many pets desperately hoping to find their forever home for the holidays and perhaps that home can be with you! Adoption fees also cover heartworm testing for dogs as well as Feline Leukemia and FIV tests for cats. On December 9th we will be waiving adoption fees for your donations of food, treats and toys. The cats and dogs always enjoy the little extras and it provides enrichment for all the pets. Puppies and kittens under 6 months of age and dogs under 25lbs are excluded from the promotion; County licensing fees still apply for Pasco County residents. It is \$10 for dog licensing and \$5 dogs cat licensing.
